*If a deadline falls on a weekend or holiday, the form is due the next business day.

**Processing time is calculated from the date of receipt of a complete and accurate form, including all supporting documentation. Missing and inaccurate information will delay processing.

Timeliness of responses to USAC requests for information affects processing time (applicants are required to provide a response to information requests within 14 calendar days).

Processing time can fluctuate throughout the year, depending on the volume of form submission.
